

## MEN'S WAXING

At B2S we specialize in male waxing, with our friendly, professional, fully trained therapist, you will be made to feel comfortable.

We use only top quality waxes that have been designed specifically for the male's skin so that we can ensure a professional hair removal that will reduce hair growth and minimize both break offs and ingrown hairs.

If you experience or are prone to breakouts after waxing, ask our therapists about our High Frequency treatment to help close pores and heal your skin. (High Frequency treatment is Pay As You Go).

## BEAUTE 2 SUIT THE SKIN CARE PROFESSIONALS

At B2S we specialize in skin care. Our fully trained team of professional skin care therapists are able to improve varying skin conditions and concerns. We take skin care to a higher level using a Spanish Scientific Skin Care Company whose scientists have been developing skin care in Europe for over 45years. With the technology behind us we can treat and correct skin conditions and concerns relating to, Sensitivity, Irritated, Acne, Breakouts plus Scarring, Oiliness, Pigmentation, Dryness and dehydration right through to premature signs of ageing, fine lines and wrinkles. Improving the overall appearance without causing any trauma or stress to your skin. We take the time to get to know your skin with a free 15minute consultation before starting any new facial treatments. We ask that you bring in your home care products, so our therapist can ensure they are the correct products for your skin type. Here at B2S we recognize that every single person has a different skin type, therefore no two skins can be treated the same. Let us help you with advice to the best skin care treatments and products available for your skin

## FACIALS SPECIFICALLY FOR MEN

*Our Facials for Men have been specifically designed to maintain and balance the skin and to correct common problems that occur with their skin.*

### Shaving before a facial?

If you plan to have a facial in the morning, we suggest you shave the night before. If you plan to have a facial in the afternoon, then shave as normal in the morning.

Remember shaving is a form of exfoliation to your skin and can cause irritation to the skin. Men's facial treatments all have an exfoliating ingredients included in them to deeply clean your skin and we don't want to irritate your skin further.

## Intense Hydrating Facial

Intense Hydration Facial is to hydrate and balance, moistures and to protect the cells from becoming dehydrated which is one of the biggest problems. Ideal treatment for dry skins exposed to extreme environmental conditions.

**Treatment: 60mins \$120**

## Zen C-Plus Facial

Ideal treatment for any time of year, for the man who wants to look and feel good. Ideal for men who's skin suffers from stress. Helps to revitalize, hydrate and restores the skin's vitality. This facial has added benefits including a Zen pressure point roller massage for total relaxation. All ages, anytime or perfect for that special occasions.

**Treatment: 75mins \$148**

## Aquatherm for Sensitive Skins

For skins that have become sensitive, irritated and red. Aquatherm for men strengthens the skin's defence and restores balance to the most irritated skin. Suitable for all ages.

**Treatment: 60mins \$110**

## Deep Cleansing

This facial exfoliates using ultrasonic vibrations for deep cleansing, resurfacing and rejuvenating the skin. It gently lifts out congestion from blocked pores and removes the outer layer of dead skin cells that have built up and cause skin discoloration. The ultrasonic vibration within the skin stimulates collagen and elastin. This regenerates cells and reduces wrinkles. A non-invasive treatment that does not cause trauma to the skin.

**Treatment: 75mins \$145**

## Clear and Balance Facial (acne skins, blackheads and oiliness)

A new approach to treating acne, breakouts and excess oil flow in the skin. This treatment reduces symptoms on the surface of the skin while working on the problems occurring deeper within the skin. Minimizes the build up of sebum and dead skin cells which causes acne and breakouts, while balancing and calming irritation.

**Treatment: 75mins \$120**

## HANDS AND FEET

### Men's Manicure

A Manicure can make a big difference. Giving attention to your nails and hands can make all the difference in an interview or on a special occasion.

Our men's manicures have been designed for you. The therapist will clean, clip and file your nails and remove the built up cuticles from around your nails. Your hands will then be exfoliated to remove rough dry skin and the manicure will be completed with an application of a hydrating treatment, a hand massage and buffing of the nails.

**Treatment: 60mins \$60**

### Men's Pedicure

Our men's pedicure are designed for you and they focus on your feet as well as your nails. Starting with a foot soak, we then continue by clipping and filing your nails, removing any dry cuticles from around your nails and remove any hard skin from around your heels. Your feet are then cleaned and exfoliated and the pedicure with an application of a hydrating treatment and massage. The end result, well groomed feet and an experience that is incredibly relaxing.

**Treatment: 75mins \$70**
