FACIALS

Facial treatments that give results

At Beaute 2 Suit we take the time to get to know your skin with a consultation as part of any facial treatment where we can discuss any concerns that you may have.

Timeexpert Lift(in) Treatment

Define Lift facial treatment with Timeexpert(in). This treatment works on the three visible essential factors for skin; rejuvenation, vertical lifting and lateral lifting which restores firmness from inside out. This treatment is a new concept in the search for firmness that emulates surgical lifting.

Treatment: 75mins \$150

Timeexpert C+ (A.G.E.) Anti-Glycation Treatment

This treatment begins with a clinical skin peel (glycocure) for cellular renewal and a deeper exfoliation. This is followed with a pure Vitamin C extract that inhibits the action of glycation. This treatment also includes Ume Extract from a Japanese plum that contains protein and minerals which also work to inhibit glycation. Combining these powerful ingredients together provides an immediate, intense luminosity and revitalizing effect to the skin.

Treatment: 75mins \$148

Glycocure Peel Treatment to Target Glycation

A clinical peel that targets Glycation within the skin. The peel deeply renews, improves the epidermis. It improves the skin's appearance and slows down the aging process. The treatment improves fine lines, minimises open pores and reduces congestion within the skin which improves the appearance of the skin.

Treatment Time: 60mins \$110

AOX System - New Generation Peel Treatment

An anti-aging peel that has greater exfoliating, anti-oxidising and hydrating properties. Designed for treating photo-damaged skins, skins with irregular pigmentation, scars, acne marks or lifeless dull skin. This peel stimulates collagen and elastin while protecting the cells from further cellular damage.

Treatment: 60mins \$135

Oxygenating Facial with Glycolic Peel

For dull, lifeless, stressed skins. This facial deeply cleanses the skin while exfoliating dead skin cells. The skin is then massaged using an oxygenating cream to increase the oxygen up-take to the cells. This leaves the skin brighter with a luminous glow.

Treatment Time: 60mins \$125

AHA Derma Peel Facial

An in-depth cosmeceutical peeling facial that is ideal for exfoliation of the skin. Lifting dead skin cells that have built up on the skin's surface. A combination of BHAs and AHAs that gently peel. This treatment is non invasive, with immediate results leaving your skin refreshed.

Treatment Time: 45mins \$105

Aquatherm for Sensitive Skin Treatment

If you suffer from highly sensitive reactive skin conditions such as redness from rosacea or couperose, this treatment will make a difference. This is due to the unique properties of its ingredients which include pre-biotic and 25 essential trace elements that help to calm, protect and strengthen delicate and damaged skins.

Treatment: 60mins \$110

Power Hyaluronic Rehydrating Treatment

Contains highly effective Hyaluronic acid to provide hydration into the layers of the skin. A hyaluronic serum is infused to ensure deeper delivery of product into the cells which gives visible results and leaves the skin plumper, hydrated, comfortable and no more feeling tight and dry.

Treatment: 75mins \$145

Power C+ with Pomegranate Facial

Formulated with more effective Vitamin C that has greater anti-oxidant power to improve the skin's appearance by providing hydration that gives brightening results to the skin.

Treatment: 60mins \$130

Brightening Antioxidant Facial

An antioxidant enriched with a combination of vitamins A, C, and E with minerals and essential amino acids to slow down and prevent the effects of free radicals damaging the cells. This facial instantly restores brightness and radiance to the skin improving the overall appearance.

Treatment: 60mins \$130

Nourishing Facial

A nourishing facial to restore the external balance to dry and stressed skins that have been neglected. A rich nourishing facial packed with essential proteins, rosehip oil, honey and coconut to restore moisture to the skin.

Treatment: 60mins \$115

Ultrasonic Deep Cleansing Exfoliation Facial

Ultra-sonic vibrations gently lift lifts out congestion from blocked pores and removes dead skin cells. Stimulating collagen and elastin which improves oxygen circulation giving a fresh appearance to the skin. A non-aggressive treatment which is customized for your skin type. After just one treatment you can see and feel the difference.

Treatment: 75mins \$145

Roll and Lift Facial

Your skin is cleansed and exfoliated. The therapist then works over your skin with a "roll and lift" wand. The gently flowing movements work on pressure points to increase blood circulation and increase oxygenation to the cells leaving the skin with a lifting and toning effect and a healthy appearance.

Treatment: 45mins \$130

Ultimate Deep Pore Cleansing Facial (with extractions)

This facial is specifically designed for cleansing and purifying the skin by removing congestion from within the pores and lifting dead skin cells. Each facial is customized to individual skin conditions.

Treatment: 60mins \$140

Clear and Balance Treatment

For those troubled with acne oiliness, blackheads, breakouts and pimples. Clear and Balance is a group of treatments to address these concerns. The Skin therapist will select the specific treatment most suitable for your skin after a full skin consultation with you.

Treatment: 75mins \$120

The Basic Facial

Basic facials are to maintain already healthy skins or when you need your skin to look refreshed.

Treatment: 60mins \$100

Add to your Facial

Add a Décolletage Firming Mask treatment to any facial to address the signs of ageing.

Treatment: 15mins \$45

Note: Extra time will need to be added to your treatment.

Neck and Décolletage Treatment Only

A Neck & Décolletage Firming mask Treatment.

Treatment: 45mins \$80
